Finn-Net in a nutshell

- ▶ Established in 1995
- ▶ Strategic VET development network which main scope is cooperative work within Network of Networks <https://partnersin.vet/>
- ▶ Main goal is to foster the quality and development of VET in the international context
- ▶ Objectives are based on the common interest found in the internationalisation strategies of the member organisations
- ▶ All member organisations are Erasmus+ accredited organisations (continuous Erasmus+ KA1 mobility funding)
- ▶ Strong expertise in staff competence development via reciprocal staff mobilities
- ▶ Involved in various development projects

Current development projects:

- Erasmus+ KA3 Network of networks - International network of VET providers, a grass roots approach
- Erasmus+ KA 2 4D Entrepreneurship (Dream, Dare, Design, Do)
- Erasmus+ KA 2 TeamWe - Team Teaching in Welfare Technology
- Erasmus+ KA2 New skills for VET teachers <https://nsvett2020.wixsite.com/mysite>
- Erasmus+ KA2 Supporting professional skills in organising and implementing Skills competition in VET
- Erasmus+ KA2 DiTRAVET Digital Transformation for VET
- Erasmus+ KA2 Tools to prevent racism and enhance multiculturalism in VET colleges
